

# UQ College Tertiary Preparation Program

The following information is provided to assist domestic students who have completed or are undertaking the UQ College Tertiary Preparation Program (TPP) and intend to seek admission to undergraduate study at The University of Queensland (UQ).

## About the UQ College Tertiary Preparation Program

The UQ College Tertiary Preparation Program (TPP) is intended to equip school leavers and adult learners with the necessary academic skills and knowledge to undertake successful tertiary study. The program is 32 weeks in duration and has two intakes each year (February and October) and is delivered at the UQ St Lucia campus. Students may choose to complete the entire program or undertake individual subjects.

The full Tertiary Preparation Program (TPP) consists of 1 core subject: Academic English; and 4 elective subjects.

### UQ College TPP electives

Accounting	Behavioural Science
Biology	Business Management
Chemistry	Design
Economics	Health and Nutrition
Humanities and Social Sciences	Information Technology
Physics	Research
General Mathematics	Mathematical Methods

## Entry requirements

For entry to all undergraduate programs at UQ applicants must meet two basic entry requirements:

1. Eligibility (i.e. satisfy the subject prerequisites and other requirements)
2. Merit (i.e. possess a selection rank high enough for a place in the program<sup>†</sup>)

<sup>†</sup> Selection ranks range from 1 to 99.95 (maximum). As admission is competitive the minimum selection thresholds for programs can fluctuate from year to year.

For detailed program information, including prerequisite requirements and minimum selection thresholds from previous admission periods, please refer to [study.uq.edu.au](http://study.uq.edu.au).

## Satisfying subject prerequisites

The successful completion (i.e. grade of 4 or better) of the following TPP subjects will meet the listed subject prerequisites for entry to all undergraduate programs at UQ.

UQ College TPP subjects	QLD Senior Subject Prerequisites
Academic English	English (Units 3 & 4, C)
General Mathematics	General Maths (Units 3 & 4, C)
Mathematical Methods	Mathematical Methods (Units 3 & 4, C)
Biology	Biology (Units 3 & 4, C)
Chemistry	Chemistry (Units 3 & 4, C)
